Applications should only be submitted via the **Odgers Berndtson** link below. Applications submitted through other websites or platforms may not be received.

With the impending retirement of our dedicated Deputy Headmaster, Steven Bennett, we are looking to appoint our new Deputy Head and Head of Senior School.

Central Coast Grammar School's purpose is to provide our students with an exceptional education, building their capacity for personal excellence. For a school that was established less than 40 years ago, we have been on a remarkable journey, and we are determined to continue that momentum. We have a future-focused, globally relevant educational agenda that delivers outstanding learning outcomes and offers a deeply nurturing environment in which students flourish. Located at the heart of a vibrant community, the School has superb contemporary facilities and beautiful grounds for over 1,500 students.

Our new Deputy Head and Head of Senior School will lead Years 7 to 12, while also deputising for the Headmaster as needed, and working with him on whole-of-school strategic projects and initiatives, including the development of our next strategic plan. Our next Deputy Head will be an inspiring leader of people, building high performing teams, developing strong relationships of trust and providing our highly professional and committed staff with opportunities for growth. They will be visible and connected with students and families. As an outstanding, research-informed educator, they will work collaboratively on our quest to enhance students' learning experience in all domains.
